# PROSPECTUS

## INTRODUCTION

Vailankanni Higher Secondary School is an English Medium co-educational School. It is established to bring world-class educational set up to your door steps as also groom future leadership.

## VISION

The Motto of the school is "**Be Transformed to Transform**". All educational programmes in synergy with the home environment are geared towards developing an all-round personality and nurture leadership qualities in the children. Skills of thinking, problem solving and creativity are the core competencies envisaged to be achieved. Values such as justice, equity, spirit of democracy, respect for and preservation of environment, empowerment of women, compassion for deprived and disadvantaged are aimed to be inculcated among the future citizens of our country to act as catalysts of change without losing sight of preparing them for a purposeful and enriching professional life.

## AIM

All school programmes are aimed to challenge student's physical, mental, emotional, social and spiritual realms. They start with a morning assembly wherein in addition to the usual agenda the pupils are exposed to a daily dose of quiz, dissemination of the latest and inspiring items to invigorate body, mind and soul search. Students are put through extensive, well designed and meaningful co-curricular and outdoor activities to improve the skill of listening, observation, enquiry and enjoying nature. Discipline is the hall mark of Vailankanni Higher Secondary School. Students are given adequate freedom coupled with responsibility and accountability.

Wisdom.... comes not from age, but from education and learning.

- Anton Chekhov

## KINDERGARTEN SECTION

The first year Progress Report of a child in the school actually represents his preparation at home and at a pre-school. Education Psychologists have emphasized the importance of a pre-school in the life of a child. Keeping these sound educational theories in mind, Vailankanni Higher Secondary School has an excellent KIDS PEN with a wide array of play equipment for keeping the pre-schooler meaningfully and interestingly occupied. Curriculum promotes gross and fine motor skills, visualizing and perception capabilities, social and emotional adjustments as also numerical abilities thus laying strong foundation for global standards of schooling.
